

Pre-Marriage Facilitation Summary Form

This form may be used when follow up documentation is requested regarding FOCCUS[®] facilitation sessions with a couple. This form should be used only in conjunction with a written Release of Information form whereby the couple gives written permission for the sharing of information specifically related to the FOCCUS[®] Couple Report. All FOCCUS[®] facilitators are reminded that the FOCCUS[®] Couple Report is only to be used by certified FOCCUS[®] facilitators and is to be destroyed immediately upon the last facilitation session with the couple. This requirement is in place to maintain integrity of purpose for which the FOCCUS[®] inventory was developed and to reinforce that the inventory was not developed for use as a predictor of future behavior or outcomes. Responses to items on the FOCCUS[®] Pre-Marriage Inventory can change as a couple discusses the inventory and a couple's Areas of Agreement or Disagreement may be different now than when they first took the inventory. Scores on the FOCCUS[®] Inventory may be impacted by respondents not understanding specific inventory items and/or marking many "Uncertain" responses.
